A fixed indexed annuity is intended for retirement or other long-term needs. It is intended for a person who has sufficient cash or other liquid assets for living expenses and other unexpected emergencies, such as medical expenses. A fixed indexed annuity is not a registered security or stock market investment and does not directly participate in any stock or equity investments, or index.

Income taxes are due upon withdrawal and if withdrawn before age 59½, an additional 10% federal tax may apply. Withdrawals and surrenders may be subject to surrender charges and a Market Value Adjustment.

There is no additional tax-deferral benefit for contracts purchased in an IRA or other tax-qualified plan, since they are already afforded tax-deferred status.

Product and features are subject to state availability. Limitations and exclusions may apply. Not available in New York.

Lincoln Lifetime IncomeSM Edge 2.0 is an optional Guaranteed Lifetime Withdrawal Benefit (GLWB) rider (form ICC18AR-343 (10/18) and state variations) available for an additional 0.95% charge (1.50% maximum) and subject to rider issue age limits, which may differ from the contract issue age limits. May not be available in all states. Limitations and exclusions may apply.
