LEADING THE WAY

*Leads, lead management, product support, selling support, marketing support:*

**“Fixed Indexed Annuities have a Better than average chance for Better than average returns without exposure to market risk”**

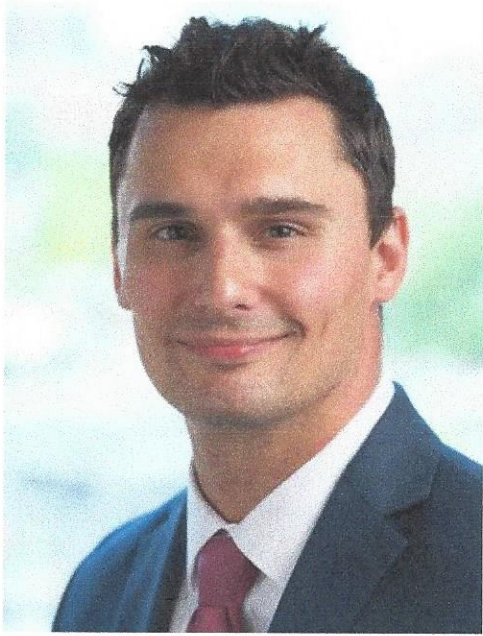

**One of the many castles along the Danube River which runs through many countries including Germany, Austria, Slovakia, Hungary and more.**

Guest speaker on Open Mic: Luke Christenson with F&G Life.

**Open MIC is Thursday, 9:00 AM Pacific**  
**800 504-8071 Code is 2554567#**

1 | Page Open MIC: Free to all, our 27<sup>th</sup> year

Luke Christenson is in his 13<sup>th</sup> year in the business. As National Accounts VP at F&G, Luke oversees several of the top IMO's in the industry and manages over \$1.5 Billion of annual annuity volume. As one of the youngest carrier reps in the industry, Luke has worked his way to the top with a well-rounded background including: his own personal practice, a wholesaler for the #1 Variable Annuity carrier, and at a large IMO as a marketer. This diverse experience gives him a unique perspective and a skilled, value added approach to the business. Luke is recently married to his wife Emily, has a 5-year-old daughter Claire, and resides in West Des Moines, IA.
